Sermon Series Info:

Many people know about spiritual gifts, but often the way we talk and think about them leaves us wanting. The Bible has a few “lists” of spiritual gifts – but those lists are not all-encompassing. Paul wrote about spiritual gifts on several occasions, and gave examples, but his lists are guides for us to see the ways God has gifted us for a life of service in Jesus' name. As we explore the concept of spiritual gifts, you are invited to consider the ways that God has called you and equipped you for a purpose. Maybe your spiritual gifts are found in one of the biblical lists. Maybe they are something more unique. Whatever your gifts are, they are a blessing from God – a gift for you and for others as you go through life as a disciple of Jesus.
