Welcome to Shalom!

If you are new to this community of faith, we want to extend a warm welcome to today! If you have been around for years, we are glad to see you again. We hope that you can experience God's grace and feel God's presence this morning as we our praise to God.

Sermon Series Info:

We all have a story to tell. Even people who bear witness to the same event tell different versions of the story based on their own personal experiences. This year during the season of Lent we will be looking at the stories of some of the people - often overlooked or ignored - who were near Jesus as he walked the road toward Easter. As we undertake our own journey toward Easter morning, we have this chance to witness those events from the perspective of others - from the triumphal entry on Palm Sunday all the way to the joy of the empty tomb. The stories of those who were there, with or near Jesus, open to us a new way to consider the ways that Easter and God's gift of grace can and do change our lives.
